

# 2<sup>nd</sup> Annual Chemmat PhD Research Symposium

The department invites you to attend the second annual showcase for our PhD students to present their research. This will be a day of presentations, both oral and poster, and highlight our diverse research in the department that includes: advanced and nano-materials engineering, food and bio-product processing, innovations in energy and environmental engineering, separation and reaction engineering, surface and materials science, and biomaterials.

We are now inviting participants and presenters:

**Oral Presentations - 3<sup>rd</sup> year and above PhD students\***

**Poster Presentations – 2<sup>nd</sup> Year PhD students<sup>†</sup>**

**Networking – All PG students<sup>‡</sup>**

**Date:** Tuesday September 5<sup>th</sup> 2017, 1-6 pm (followed by wine and cheese)

**Venue:** University of Auckland, 20 Symonds Street, Lecture room 401.439 & Neon Foyer

**Participation/ Registration:** Please register here: <https://goo.gl/forms/jCKSKIZaXqIKju6Z2>

*This event is organised and sponsored by the  
Department of Chemical and Materials Engineering.*

---

\* Currently enrolled full-time 3<sup>rd</sup> year and above PhD students of the Department of Chemical and Materials Engineering

† Currently enrolled full-time 2<sup>nd</sup> year PhD students of the Department of Chemical and Materials Engineering

‡ All department staff and postgraduate students (including Masters) are encouraged to attend.
